# INTRODUCTION

---

We are pleased to present the Annual Report to the Community. There was much to be proud of in Jeffco Public Schools this year as our schools continue to provide our students with first-rate educational opportunities, both in and out of the classroom. Throughout this report, you will learn more about the great news and outstanding work happening in Jeffco Public Schools.

Thank you to everyone in Jeffco for your support of our schools. We hope this report illustrates how the investment in public education is paying a substantial return, both by providing an outstanding education for our students and by continuing to improve the quality of life in our community.

# JEFFCO 2020 VISION

Jeffco Public Schools has a long tradition of excellent education. The Jeffco 2020 Vision defines the characteristics of a successful graduate and its corresponding strategic plan sets priorities for the district to provide all students - from Pre-K through 12th grade - the educational experiences necessary to achieve the Jeffco 2020 Vision.

The Jeffco 2020 Vision states, "In order for students to pursue their life goals, by 2020 all Jeffco graduates will be able to successfully apply the following competencies:

- Content Mastery
- Civic & Global Engagement
- Communication
- Critical Thinking & Creativity
- Self-Direction & Personal Responsibility

Throughout this report, you will learn more about the great news and outstanding work happening in Jeffco Public Schools through the lens of the 2020 Vision.

## ASSESSMENT

Colorado school districts are assessed using the Colorado Measures of Academic Success (CMAS). This system uses the Partnership for Assessment of Readiness for College and Careers (PARCC) standardized test for English language arts and mathematics. CMAS science and social studies tests are Colorado-developed assessments. Colorado assesses English language proficiency for English Language Learners (ELL) using the Assessing Comprehension and Communication in English State-to-State for English Language Learners (ACCESS for ELLs) test. Colorado also uses the Colorado SAT test in eleventh grade, and the Colorado Preliminary SAT (PSAT) in tenth grade. CDE includes achievement, growth, and performance outcomes from CMAS, ACCESS for ELLs, and CO SAT in the District Performance Framework's annual accreditation process for school districts.

Refer to CDE's [District](#) and [School Dashboards](#) for state assessment results.

# ACCOUNTABILITY

The district is fully accredited by the Colorado Department of Education. In conformance with Colorado law, the district has adopted various accreditation and performance goals. The Colorado Department of Education (CDE) has defined three performance indicator areas key to achieving this outcome: (1) Academic Achievement; (2) Academic Growth; and (3) Postsecondary and Workforce Readiness (high school only).

CDE's District Performance Framework and School Performance Framework reports provide information about the levels of attainment in each of the three key performance indicators. For school districts, the overall evaluation leads to their accreditation. For schools, the overall evaluation leads to the type of plan schools will implement.

The District Performance Framework assigns to each district one of five accreditation categories:

1. **Accredited with Distinction:** The district meets or exceeds statewide performance indicators and is required to adopt and implement a Performance Plan.
2. **Accredited:** The district meets statewide attainment on the performance indicators and is required to adopt and implement a Performance Plan.
3. **Accredited with Improvement Plan:** The district is required to adopt and implement an Improvement Plan.
4. **Accredited with Priority Improvement Plan:** The district is required to adopt and implement a Priority Improvement Plan.
5. **Accredited with Turnaround Plan:** The district is required to adopt and implement a Turnaround Plan.

**Jeffco Public Schools has received the accreditation category of Accredited for the 2016-17 school year.**

The School Performance Framework SPF plan types assigned to schools include the following:

1. Performance Plan
2. Improvement Plan
3. Priority Improvement Plan
4. Turnaround Plan

A complete list of the 2017 SPF ratings for schools is provided [here](#). View the list of Title I schools [here](#).

- On-time graduation rate: 83.5%
- Extended graduation rate: 88.5% (7-year)
- Percentage of highly-qualified teachers: 99.31%

# ADMINISTRATION & LEADERSHIP

---

## SUPERINTENDENT

Superintendent Dan McMinimee joined Jeffco Public Schools on July 1, 2014. He has spent his professional life (26 years) devoted to public education and working on behalf of students and staff. His early roots are in Jeffco where he attended Hackberry Hill Elementary School. McMinimee is a graduate of Adams State College (BA) and Oregon State University (EdM). Additionally, he has successfully completed 54 hours of postgraduate coursework in the Administrative Certificate program at Portland State University and the Educational Leadership Program at CU-Denver. McMinimee has experience as a teacher, coach, assistant principal, athletic director, principal, and district-level administrator working at all levels K-12.

In January 2017, the Board of Education voted unanimously to begin a search for a new superintendent, as Dan McMinimee's contract ended June 30. The search firm, Ray and Associates, conducted a national search for the position, resulting in 69 applicants. Community meetings and an online survey helped the firm and Board of Education craft a profile for the position. Eleven applicants that met the job qualifications and profile were presented to Board members; they chose to interview six. Applicant information was kept confidential to foster the deepest, most qualified pool of candidates possible. In May, the Board announced it has selected Dr. Jason Glass as the sole finalist for the position.

Dr. Jason Glass is the incoming superintendent and chief learner of Jeffco Public Schools.

Previously, Dr. Glass served as the superintendent of Eagle County Schools, establishing a vision based on international benchmarking and an accompanying comprehensive strategic plan. Dr. Glass served as Iowa's director of education after being appointed by Governor Terry Branstad, serving as the state's chief state school officer and leading a successful education reform effort that culminated in landmark legislation signed into law in 2013.

Prior to serving in Iowa, Dr. Glass was the senior director of human capital strategy with Battelle for Kids. Before joining Battelle, Dr. Glass served as the director of human resources with Eagle County Schools. Dr. Glass has also worked as Eagle County Schools' director of research and assessment, as vice president of quality ratings with Qualistar Early Learning, held several posts with the Colorado Department of Education, and worked as a university instructor and high school teacher in Kentucky.

In December 2016, Dr. Glass was appointed to the National Board of Education Sciences board of directors by President Barack Obama.

Dr. Glass holds a bachelor's degree in political science and two master's degrees from the University of Kentucky, in education and political science. He holds a doctorate in education from Seton Hall University.

# BOARD OF EDUCATION

The Jefferson County Board of Education is the policy-making body of the school district. The Board is composed of five members elected to alternating four-year terms. The Board is responsible for educational planning and evaluation, staffing and appraisal, school facilities, financial resources, and communication. The Board acts as a court of appeal for staff members, students, and the public on issues involving board policy or implementation of that policy.

## ADVISORY COMMITTEES

Jeffco Public Schools could never achieve its mission without the strong support of the community and volunteers. Volunteer groups do everything from working in classrooms to serving on advisory committees. Thousands of people unite each year to give their time to ensure Jeffco students receive a great education.

### AUDIT COMMITTEE

The Audit Committee's primary purpose is ensuring the Board of Education is fulfilling its fiduciary responsibilities. The committee monitors the district's financial reporting process and internal control systems; recommends the district's independent auditors; reviews and appraises the work of auditors; and coordinates with the Financial Oversight Committee to review, assess, and analyze impacts of proposed financial management policy and process changes. Learn more about the committee [here](#).

### CAPITAL ASSET ADVISORY COMMITTEE

The Capital Asset Advisory Committee's purpose is to monitor the planning of capital needs and the implementation of capital programs, which may include future bond programs. Learn more about the committee [here](#).

### COMMUNITY DIVERSITY ADVISORY COMMITTEE

The Community Diversity Advisory Council includes parents, staff, and community members who offer advice and support to the district in creating an inclusive environment and improving educational outcomes for diverse learners. Learn more about the committee [here](#).

### FINANCIAL OVERSIGHT COMMITTEE

The primary function of the Financial Oversight Committee is to assist the Board of Education in fulfilling its oversight responsibilities by reviewing financial reports and other financial information used internally; examining the district's systems of internal controls regarding finance, accounting, legal compliance, and ethics; assessing the business risk of the district; and evaluating the district's auditing, accounting, and financial reporting processes generally. Learn more about the committee [here](#).

## INDIAN EDUCATION PARENT ADVISORY COMMITTEE

The mission of the Indian Education Program is to meet the unique educationally and culturally related academic needs of eligible students. The advisory committee is comprised of district parents and advises the Indian Education Program, assists in planning cultural activities, provides cultural support and insight, and assists in implementing grant goals. Learn more about the committee [here](#).

## SPECIAL EDUCATION ADVISORY COMMITTEE

Special Education Advisory Committee (SEAC) is comprised of parents/guardians, staff, students, administrators, and community members from across the district who provide Jeffco Public Schools with input and recommendations on an advisory basis regarding the needs of students with disabilities. Learn more about the committee [here](#).

## STRATEGIC PLANNING & ADVISORY COUNCIL

The Strategic Planning and Advisory Council is composed of parent representatives from all articulation areas, representatives from JCEA, CSEA, and administrators, as well as citizen and parent leaders from a variety of stakeholder groups. Members act in an advisory capacity on the implementation and evaluation of the Jeffco 2020 Vision Strategic Plan. Members have the opportunity to hear updates on district issues and efforts and provide input on these topics. Learn more about the committee [here](#).

## TECHNOLOGY & DATA PRIVACY ADVISORY COMMITTEE

The Technology and Data Privacy Advisory Committee was created to advise the Board of Education on district technology strategies, systems, and overall data governance. The committee will review the district's technology plan considering alignment with instructional goals and opportunities for technology innovation. Additionally, district privacy policies and practices will be presented to the committee for advisement. The committee encourages continuous improvement of and fosters adherence to district policies, procedures, and practices at all levels. Learn more about the committee [here](#).

## FINANCIAL DATA & TRANSPARENCY

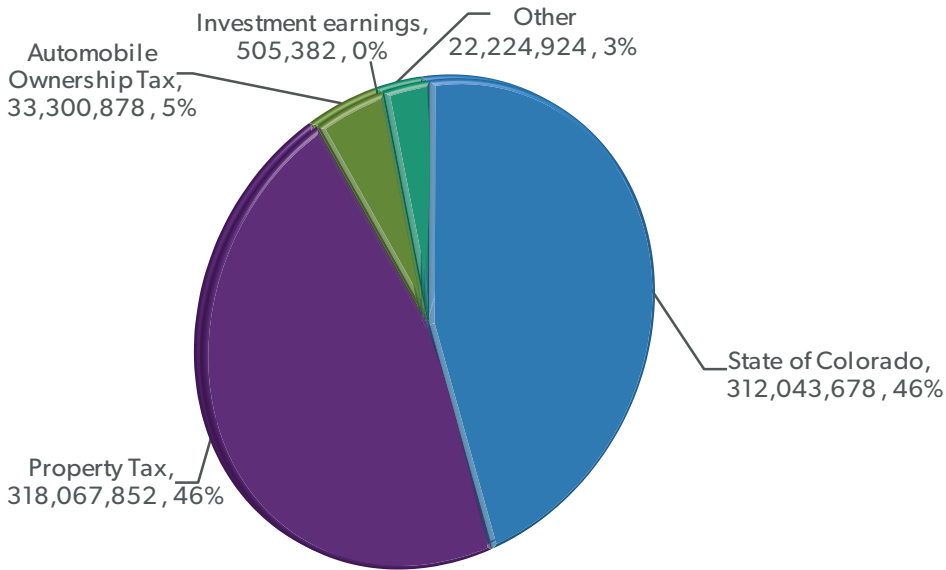

---

Jeffco Public Schools once again faced financial challenges in 2016-17, and was unsuccessful in passing a Bond and Mill Levy Override on the ballot for 2016. The district budget needs well beyond what could be accomplished with the adoption of the 2016-17 budget. While the outlook for K-12 education funding remains uncertain as the state continues to face constraints in balancing the state budget, the district has remained focused on accomplishing its goals and supporting students.

Stakeholders have access to the district's financial information through a searchable, online financial transparency database, as well as the online [Comprehensive Annual Financial Report](#), [annual district budget](#), and [other financial publications and information](#).

Learn more about where the district's funding comes from and how it is spent on the following page.

## TRANSPARENCY

Jeffco Public Schools is committed to providing a clear view of how tax dollars are spent and how the district operates. The district's financial information is consolidated into one webpage to provide even greater financial transparency. Please review the district's financial transparency information [here](#).

# FEDERAL & STATE REPORTING REQUIREMENTS

---

## Attendance

All schools will have attendance rules which incorporate Jeffco Public Schools' attendance requirements as outlined by district policy. Colorado Revised Statutes (C.R.S.) provide that "every child who has obtained the age of six years on or before August 1 of each year and is under the age of seventeen years shall attend public school for at least" the minimum required hours each school year. The minimum required hours by school level are:

- Half-day Kindergarten – 450 hours
- Full-day Kindergarten – 900 hours
- Elementary school other than kindergarten – 968 hours
- Secondary school student – 1,056 hours

Please note, there are a number of exceptions to these provisions that are contained in the statute and policy. For additional information, please refer to [District Policy JH, Student Absences and Excuses](#).

## Immunization

Each student entering a Colorado school for the first time is required to present a certificate of immunization from a licensed physician, an authorized representative of the Colorado Department of Public Health and Environment (CDPHE), or local health department stating that the student has received immunizations against communicable diseases as specified by Colorado Revised Statutes (C.R.S. 25-4-902). Please note, there are a number of exceptions to these provisions that are contained in the statute. Student immunization information may be accessed through the Colorado Immunization System in accordance with Colorado Department of Public Health and Environment and district protocols.

For additional information, please visit the [CDPHE website](#).

## Civil Rights

The district is committed to providing a safe learning and work environment where all members of the school community are treated with dignity and respect. Consequently, it is district policy that no person shall be excluded from participation in, be denied the benefits of, or be subjected to unlawful discrimination, intimidation, or harassment under any district program or activity on the basis of ethnicity or race, color, religion, national origin, ancestry, sex, sexual orientation, gender identity, genetic information, age, veteran status, or disability. Sexual orientation is a person's orientation toward heterosexuality, homosexuality, bisexuality, transgender status, or perception of the individual's sexual orientation.

Avoiding unlawful discrimination requires the collaborative responsibility of each administrator, supervisor, employee, and student to affirm in actions and deeds the intent and spirit of governing

laws and regulations. Toward this end, the district will assist management, staff, and students to implement the district's good faith intent not to discriminate in the district's employment and educational opportunities.

Students, public, parents, or staff members who believe they have been the subject of discrimination must report the incident immediately in accordance with district policies:

- [District Policy GBK, Staff Concerns, Complaints, and Grievances](#)
- [District Policy JI, Student Rights and Responsibilities](#)
- [District Policy JBB, Harassment of Students](#)
- [District Policy KE, Public/Parent Concerns and Complaints](#)

## Sex Offender Registry

Various law enforcement agencies provide sex offender data in order to enhance public safety. Generally, sex offender registries contain information about individuals who have been required by law to register and who are in compliance with the sex registry laws. The Colorado Bureau of Investigation (CBI) maintains a directory of adults convicted of felony sex offenses. This directory may be found on the [CBI website](#). In addition to the CBI registry, you may contact your local police department or your county sheriff's office to obtain a list of registered sex offenders in your city, county, or state.

## Student Data and Privacy

In accordance with the Family Educational Rights and Privacy Act (FERPA) and other applicable law, parents/guardians and students over 18 years of age ("eligible students") are afforded certain rights with respect to the student's education records.

Parents/guardians or eligible students may submit a Request to Review Education Records form, which is located on the [Jeffco Public Schools website](#), to the Student Records Center that identifies the record(s) they wish to inspect.

Parents/guardians or eligible students may submit a Request to Amend Education Records form, which is located on the [Jeffco Public Schools website](#), to the Student Records Center that clearly identifies the part of the record they want to be changed, and specify why it should be changed.

Parents/guardians or eligible students may submit a directory information opt-out designation as communicated on the [Jeffco Connect](#) parent portal.

Parents/guardians or eligible students may opt-out of having student personally identifiable information (PII) disclosed to military recruiters as communicated on the [Jeffco Connect](#) parent portal.

Parents/guardians or eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by Jeffco Public Schools to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

### **Family Policy Compliance Office**

## Pregnancy Accommodation

Colorado's Civil Rights Division of the Department of Regulatory Agencies has released its [Notice for Employers to Use in Order to be in Compliance with HB 16-1438 \(Pregnancy Accommodations\)](#).

Colorado's pregnancy accommodation law requires employers to provide a reasonable accommodation for an employee, or an applicant for employment, for health conditions related to pregnancy or physical recovery from childbirth, absent an undue hardship.

Additional information on compliance is available through MSEC.
